ACOEM Vision

Healthy workers.

Safe workplaces.

Thriving environments.

ACOEM Mission

To advance the specialty
and promote optimal
health and safety of
workers, workplaces,
and environments.

Organizational Values

- **Collaboration.** Occupational and environmental medicine requires teamwork. We recognize and respect everyone's unique value and expertise.
- **Inclusion.** We are the home for all OEM professionals.
- **Innovation.** We pursue bold and courageous change.
- **Integrity.** We make informed, evidence-based decisions and promote quality in the field.

Organizational Goals and Strategies

GOAL 1: DELIVER ESSENTIAL VALUE THAT STRENGTHENS THE INTEGRITY OF OEM

Strategies:

- Broaden the reach of the core competency model and align ACOEM's education and resources accordingly.
- Innovate ACOEM's engagement model and prioritize digital delivery.
- Reduce and reimagine the benefits portfolio.

Organizational Goals and Strategies

GOAL 2: SECURE THE ONGOING STRENGTH AND CAPABILITIES OF ACOEM TO SERVE THE PROFESSION

Strategies:

- Explore the pricing model to ensure alignment with the market and stakeholder pricing sensitivities.
- Modernize ACOEM's technological capabilities.
- Redesign ACOEM's organizational model and governance structure to support nimble decision making and efficient execution.
- Reimagine the business model to ensure long-term success.

Organizational Goals and Strategies

GOAL 3: BECOME THE TRUSTED HOME AND CHAMPION FOR ALL PROFESSIONALS WHO PRACTICE OEM

Strategies:

- Define and promote the specialty and convey its value and impact.
- Transform ACOEM's current culture and approach to align with its core values.

Justice, Equity, Diversity, and Inclusion (JEDI)

- Assess barriers to implementing changes.
- Increase awareness of events of cultural significance.
- Develop and implement tools for ACOEM members to support culturally competent care.
- Position OEM physicians and other providers and ACOEM to be leaders in advancing JEDI through education and research.

2024-2025 Presidential Focus Areas

- OEM Professional Team
- Financial Stability
- Environmental Sustainability

and Governance

Specialty Societies Advancing Adult Immunization

- In 2021, ACOEM selected as 1 of 7 partner societies to be part of the Council of Medical Specialty Societies (CMSS) and CDC Cooperative Agreement
- **Goal:** Increase COVID-19, influenza, and routine adult vaccination rates among adults in occupational health settings through education, dissemination, and quality improvement initiatives

ACOEM's Role/Tasks

- Partner with 6 health systems to implement quality improvement interventions to increase adult vaccination in clinics
- Conduct overview of vaccination assessment/delivery process
- Determine baseline immunization rates among adults in occupational health clinics
- Conduct monthly assessments and measure changes
- Assess and address challenges/barriers to vaccine hesitancy and confidence
- Disseminate best practices through manuscripts, conferences, newsletters, etc.
